# Who is Unaitalia?

Unaitalia is the Association that **protects and promotes** Italian agro-food chains of meat and eggs and represents over 90% of the entire poultry meat supply chain, over 20% of egg production, about 30% of pork and processed meat and about 40% of rabbit meat production.

Unaitalia internationally joins to various Associations such as Avec (European Association of Poultry Producers), Copa Cogeca, International Poultry Council (IPC) and International Egg Commission (IEC).

# Italian poultry and other bird species production

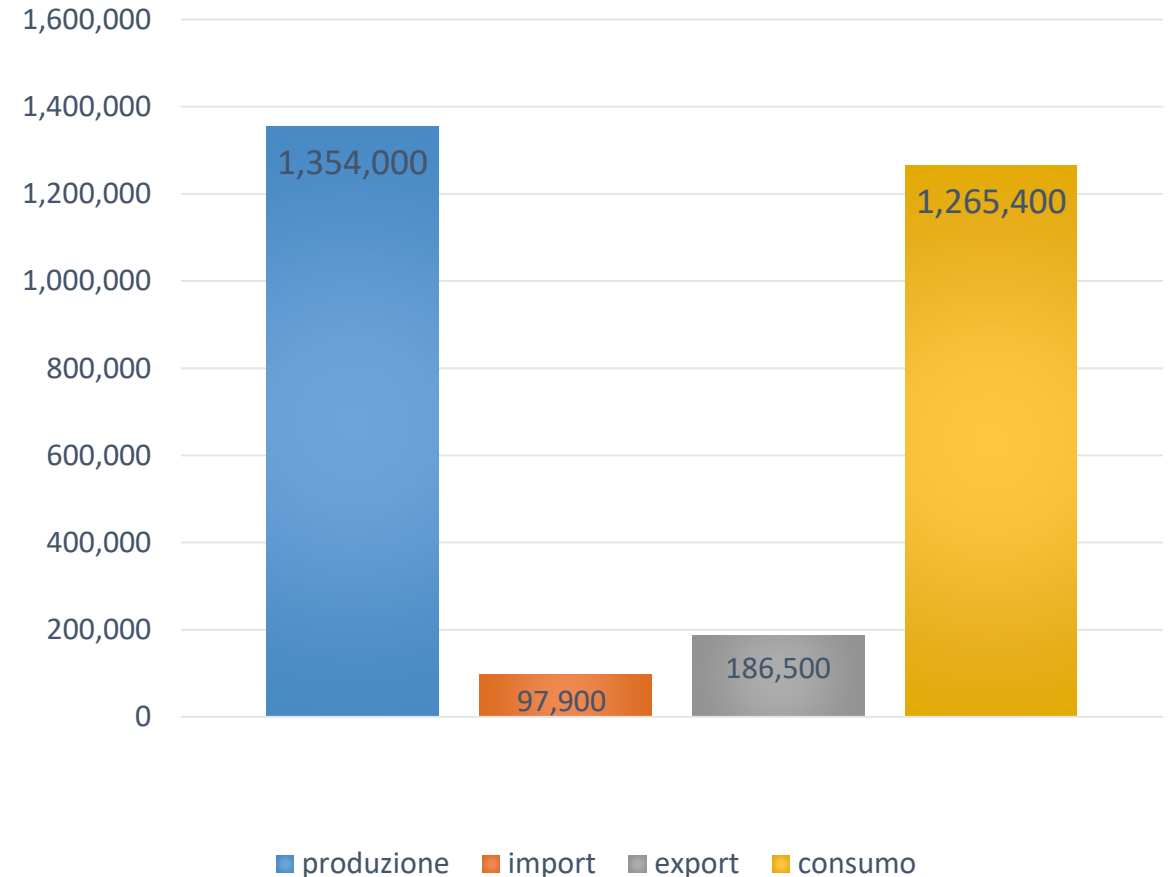

# Unitalia and Italian Poultry Sector

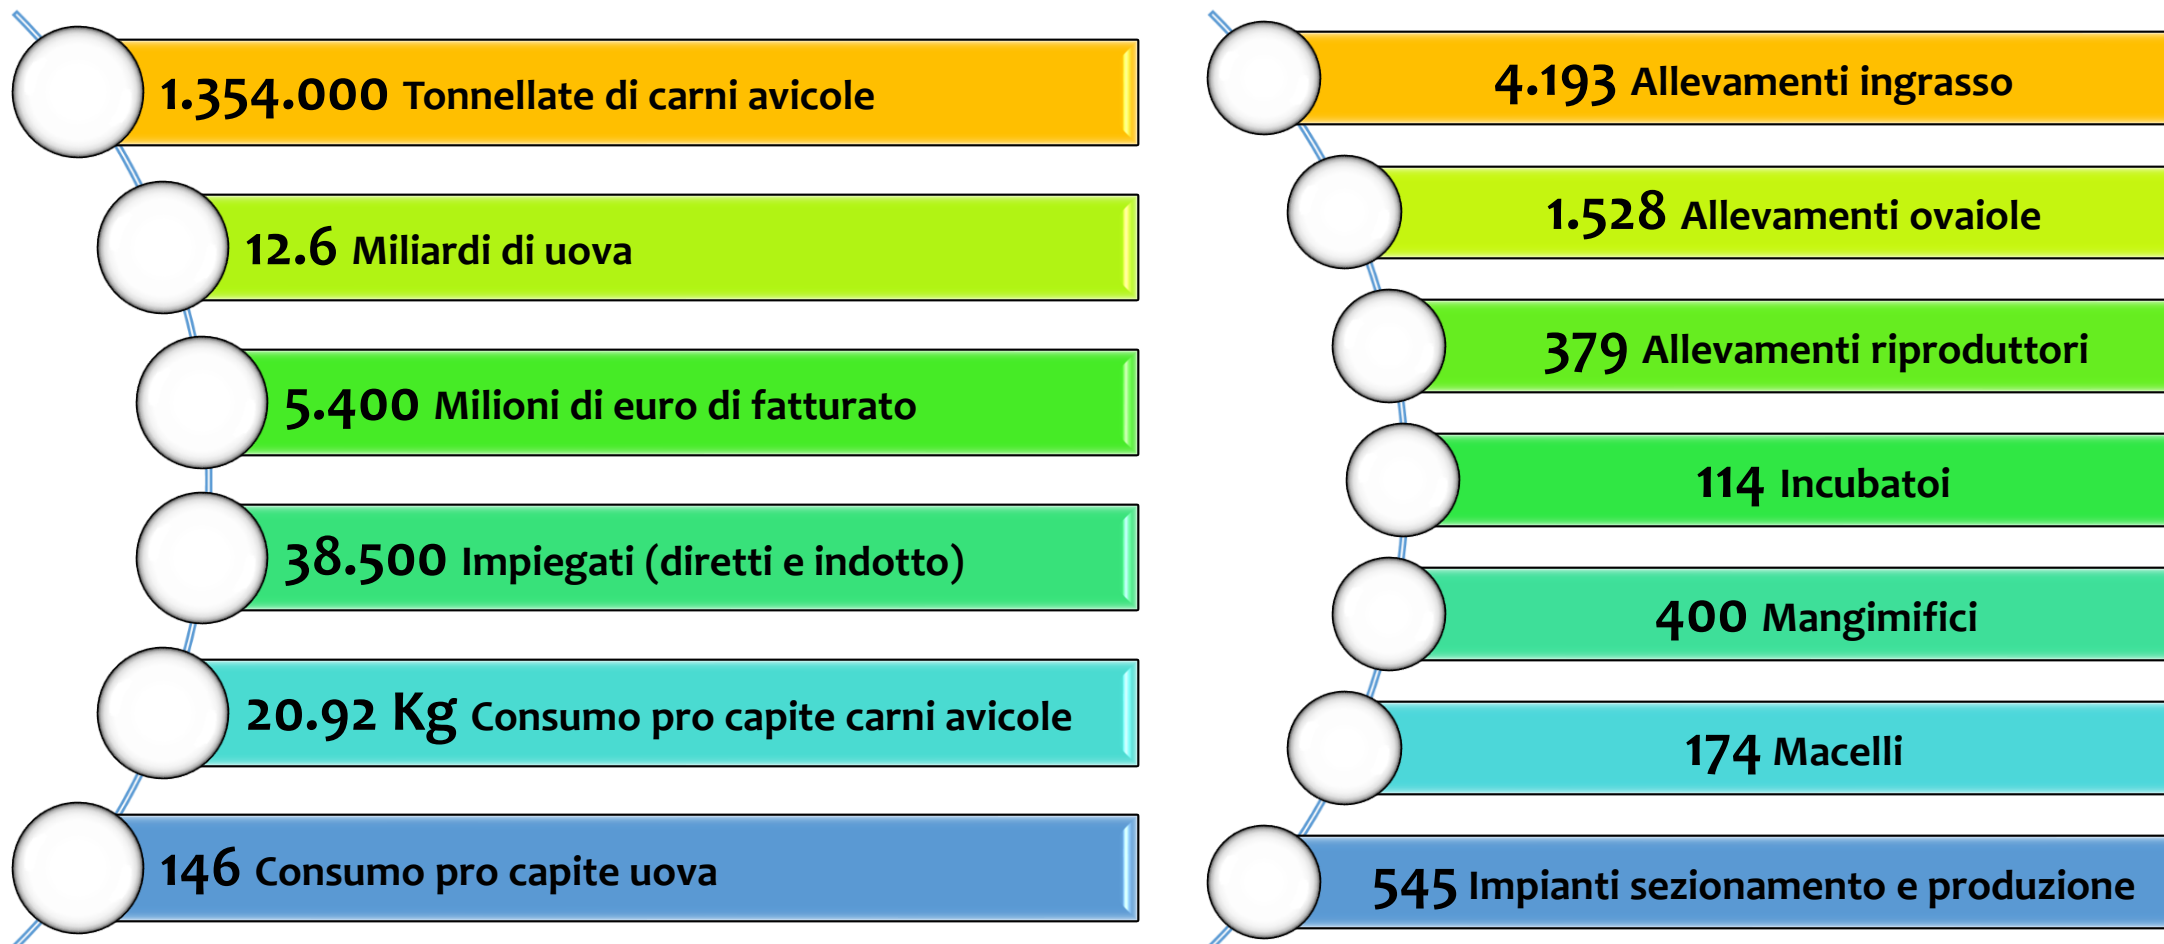

The Italian self-supply rate is 103,6%.

The chain is made up of over 6,000 factory farms, which employ 38,500 people, with annual sales of 5.4 billion euro. Poultry farms provide 8.5% of the value of national agricultural production and 4.2% of workers in the primary sector, while the subsequent slaughter and transformation phase ensure 4.2% of sales and 5.7% of the workers in the agri-food sector
